

e-STUDIO338cs

e-STUDIO388cs

Product brochure

- These all-in-one A4 colour multifunctional devices cover your daily business requirements with print, copy, scan and fax functions.
- The e-STUDIO338cs and e-STUDIO388cs help streamline your business's document workflow with a print speed of up to 33/38 pages per minute.
- Cutting edge technology ensures your colour print jobs do not come to a halt, simply select to continue printing in monochrome instead.
- Impeccable print quality ensures consistent yet impressive document output, from the first print to the last.

An Asset to Any Business

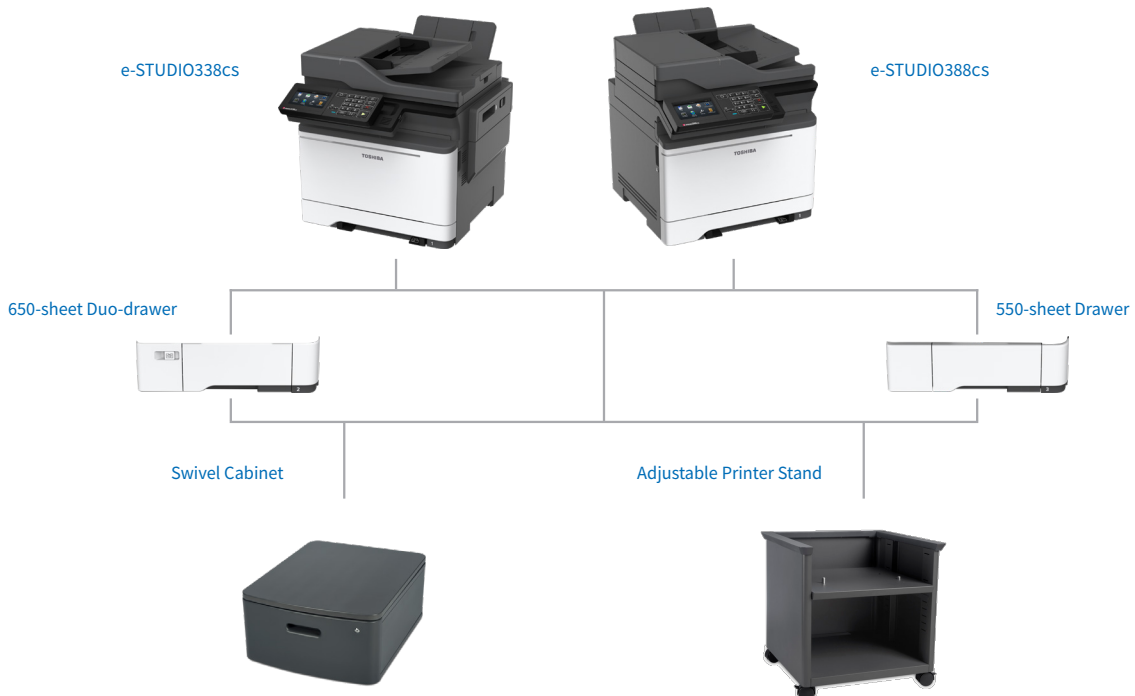

The e-STUDIO338cs and e-STUDIO388cs are an asset to any business or workgroup that requires productivity, reliability and ease of use. These compact A4 multifunctional devices offer remarkable image quality print after print.

Challenging print jobs can be fulfilled, thanks to a range of options and solutions. A maximum paper capacity of 1,450 sheets ensures large print jobs run with ease. The Dual Scan Document Feeder (DSDF)³ allows businesses to digitise documents for easy storage and retrieval from the cloud, with its speedy processing time of up to 94 images per minute.

The tiltable, colour touch screen and keypad offer a straightforward way to access all the device's functions and features. In addition, the privacy of your data is extremely important, so an optional card reader is available to add an extra layer of security – giving you full control over who has access to sensitive business data.

Configuration
